

Handwriting practice lines consisting of multiple sets of horizontal lines for text entry.

You hug me on a lousy day
You listen to all things I say
You're always there to help me out
Even when I'm not quite right
You're by my side all the time
You are the best, you are my Mum!

I'll draw a picture, make a card
be the nicest, kindest child
I'll give you flowers and a hug
make you tea in your favourite mug
It's a big and special day
Mother's Day's just once a year.
